

THANK YOU for your continued patience!

- We are open 6 days a week, closed on Sundays.
- Our phone lines close daily from 12:30 – 1:30, and we are closed on all statutory holidays.
- Currently, we cannot permit companions of patients into the office unless the patient is a minor or needs physical assistance. Masks are MANDATORY!
- We can have a limited number of people in the clinic, so if you drop by, we may ask you to wait outside for a few minutes!
- Our office hours have changed. Please check our website or call the office for current hours!

Thanks again for your patience as we adjust to our new normal...

From the Doctors & Staff at Port Moody Eye Care
